Reference: April Quarterly Report (1/1/2006 3/31/2006)

Dear. Ms. Zehr:

This filing is in response to your letter dated June 16, 2006. Following are the actions taken to correct the errors your letter referenced:

The contribution dated 2/23/2004 to the Lindsey Graham for Senate campaign should have been designated to the candidate s 2008 Primary Election. It was correctly reported on the candidate s report and the PACs April 15, 2004 Quarterly Report has been amended to correct this clerical error.

The contribution dated 2/28/2006 to the Lindsey Graham for Senate campaign should have been designated to the candidate s 2008 General Election. It was initially reported by the candidate s campaign as a 2008 Primary Election contribution, and the committee has subsequently corrected its filing to designate it to the 2008 General Election. The PAC s April 15, 2006 Quarterly Report has been amended to correct this clerical error.

The contributions to Friends of Gordon Smith dated 1/09/2006 in the amount of \$2,000.00 and 3/22/2006 in the amount of \$3,000.00 should have been designated to the 2008 Primary Election. The candidate s report correctly reflects those designations and the PAC s April 15, 2006 Quarterly Report has been amended to correct this clerical error.

The contribution to Friends of Gordon Smith dated 3/22/2006 in the amount of \$2,000.00 should have been designated to the 2008 General Election. The candidate s report correctly reflects that designation and the PAC s April 15, 2006 Quarterly Report has been amended to correct this clerical error.

We have sought a refund of the 3/28/2006 in-kind contribution to the Gordon Smith for Senate campaign and will report the refund when received. A copy of the request for a refund from the campaign committee has been delivered to the Commission.

Sincerely,

Leo E. Sands  
Treasurer
